MR. ALBERT JOHN PERRY

It was with deep regret that we learned of the untimely death on December 26, 1971, of Albert John Perry, principal of Mount Pleasant Elementary School.

Born in Killarney, Ireland on May 15, 1911, he was a graduate of Waterford High School and the Church of Ireland Training College in Dublin. He taught from 1932 to 1945 in Ireland, and from 1945 to 1955 in England before coming to Canada. Mr. Perry taught at Grimshaw for two years and at Wetaskiwin for one year before joining the Edmonton Public Staff in September 1958. He taught at H.A. Gray and King Edward School where he implemented the first pre-employment classes that grew into the Wagner High School Program. He was appointed as a Junior High School consultant in 1963 having responsibility for pre-employment classes in 8 schools and modified programs in many more.

From 1965-1968 he was principal of McKay Avenue Laboratory School which developed into the W. P. Wagner High School. When the W. P. Wagner High School was opened in September 1968 he was promoted to First Assistant Principal.

This school has benefited from Mr. Perry's ideas and experience in providing an education for boys and girls who are unable to follow the regular high school program. Mr. Perry was the first to point the way toward the value of vocational education.

Mr. Perry was granted a sabbatical leave during 1969-70. Upon his return he was appointed Principal of Mount Pleasant Elementary School where he remained until his death. In 1970 the staff of W. P. Wagner, in recognition of Mr. Perry's dedicated service to this school, implemented the A. J. Perry Award which is presented each year to the student who has contributed most to promoting school spirit.

Awards

Top Picture – Left to Right
Mr.R Young, Miss Suzanne Schiewe, Mr.D.P. Stetsko, Miss Dorothy Mason and Daniel Peterson
Mr.T.D.Baker, Mr.A.J.Perry, Wilma Gerke, Gloria Harper and Mr.W.P.Wagner

George Pappas Award – Wilma Gerke
most successful Yr. 3 st.
W.P.Wagner Award – Gloria Harper
most successful Yr. 2 st.
Mary McIntosh Award in Bus. Ed.
Secretarial Route – Wilma Gerke, Suzanne Schiewe
Contributing Most to School Spirits
Dorothy Mason
Daniel Peterson
Automotives Award – Wayne Morrison

SPORTS AWARDS

(Left to right above)
Pat Gilday—Outstanding Rugby Player
Lynne Lipscombe—Outstanding Wrestler
Reinhold Florkowsky—Outstanding Soccer Player
and Outstanding Athlete of 1970–71
Harley Berger—Outstanding Weightlifter
Joe Linden—Coaches Award
(for contribution with little recognition)
Not Shown John Cusacle—Outstanding Track Athlete

PRINCIPAL'S

MESSAGE

After our fourth year of operation we continue to impress visitors with our facilities, curriculum and graduates. Visitors to Edmonton invariably request a tour of this school to see for themselves the accomplishments of students and staff. Open House '72 was a huge success and has been very informative to the general public. In the years ahead we will continue to improve and impress all visitors.

Warrior '72 captures the spirit of our school through its vivid photographic presentation of school activities. This yearbook in the future will be treasured by many and I am sure will bring back fond nostalgic memories of this school year.

Many thanks to the yearbook staff for their hard work and effort that produced such a fine record of events.

Don P. Stute

VALEDICTORY

Mr. Stetsko, Staff, Honored Guests, Parents and Students

VALEDICTORIAN

Today we are gathered here in the honor of the 1972 Graduates. It is a sad but happy day for all those graduating. However because we are graduating it does not necessarily mean it will be the end of the friendship we have made while attending W.P. Wagner High School.

In our three years of attending W.P. Wagner we have felt we have profitted a great deal in many ways. With help from our teachers we gained confidence in ourselves. Many of us are better equipped to stand up for what we believe. We have had our communication lines opened by our teachers who had a great deal of patience with us, helping us with our times of uncertainty. By communicating with our fellow students and teachers many of us better understand the meanings of sportsmanship, co-operation, and obedience. We have discovered that initiative is an important factor in our lives. Many of us have discovered that persistence is of great importance in our busy society. Through our school years we have learned that concentration will be of great benefit as we experience the role of being in a large society.

Gloria Harper

So therefore we would like to express deep gratitude to all those who were responsible for helping us set our goal in life, for helping us through our difficulties and helping us enjoy the atmosphere of W.P. Wagner, so we worked harder. We would like to thank our parents who were patient and persistent and our teachers for seeing that we learned.

As to what the future holds of us---when taking our diplomas we take a great step forward. You know man has accomplished a great deal but this world is far from perfect. So much lies before us to be done. Each one of us contributes a part no matter how small it may be. May we each leave our mark on the world.

In conclusion, we realize that we cannot repay our parents and teachers for all they've done for us, but we do appreciate it. To all Year One and Two students, may your stay in Wagner be as happy and profitable as ours.

Thank you!
Gloria Harper

Get off your knees!!! Darrel Schultz

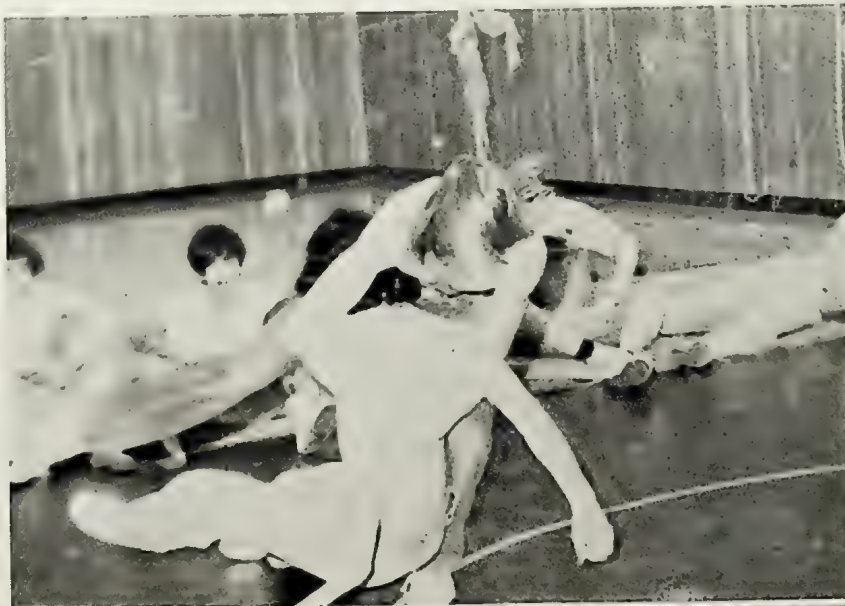

WRESTLING TEAM

WRESTLERS Back Row (left to right); Mr. George Second Row; Dave Raisbeck, John Johnson, Lynne Lipscombe, Garry Raatz, Rod Allan, Sandy Pankewich, Brian Hupka, Darrell Schultz, Morley Soltz, Murray Schultz, Front Row; George Florkowsky, Pat Mulligan, Sern Pollok, Ron Dmetruk, Miles Budd, Reg Gilbert. Missing; Norman Bell, James Loree, Alfie Hernstedt, Rick Stawnychy.

The High School League started right after the Christmas holidays. The wrestlers who came in first in their weight class were Lynne Lipscombe, Murray Schultz, Reg Gilbert, And James Loree, Sern Pollok came in second in his weight class John Johnson third in his, and Pat Mulligan fourth in his.

Starting the week of Monday, Nov. 29, special wrestling classes were taught at noon hour for first year boys who wanted to try wrestling for the first time.

This year Wagner has defeated the following schools; LaZerte, O'Leary, St. Joes, Austin O'Brien, and St. Frances, but has lost to; Queen E. Scona, Vic., and Jasper Place.

MUSIC / MUSIC

Mr. Coulter—gettin' caught up in the swing of things.

"Saxy" Scott Hetherington
"I'm forever blowing bubbles"

The highlight of the musical year was a programme of "musical happenings" presented at the Open House in March. Those who took part in the presentation were Jerry Mennie (bass) Norm Taylor (drums) Jim Smith (guitar) Darrel Schultz (saxophone) Bill Reynolds (drums) Sharon Sauer, Patsy Hoffman, and Connie Gowers (vocals) Arlene Samuels (piano).

"Jumpin" Gerry Mennie
gettin' off on some heavy
lead playing.

"Hot Lips" George Houtstra
blowin' a mean horn.

Institutional

If you like Nursing, Home Management, and Child Care well that's what Institutional Services is all about. Learning how to make beds, caring for sick patients, learning how to rearrange a home and best of all cooking. Shown above with her class Miss Bartscher at a simulated 4yr. old Valentine party.

Below— Linda Westra (left) and Verna Tulloch are learning the art of bedside care. If it wasn't for the dummy who knows what would happen to the patient.

Inset Photo— Winnifred Zechel caring for Josephine Topolinsky a patient.

Services

Christine Rewega— learning how to change a baby. If it was real the kid would probably be squawking by now. On the left Donna Schnellback is trying her hardest to make a bed. Below— Margaret Davivson is learning how to be creative with leftovers (hamburger hash). Yvonne Kotylak is hoping and praying it will turn out. Debbie Laver is about to serve tea, and Delores Ward is getting something fresh out of the oven we hope.

Janie Der

Greg Sterpan

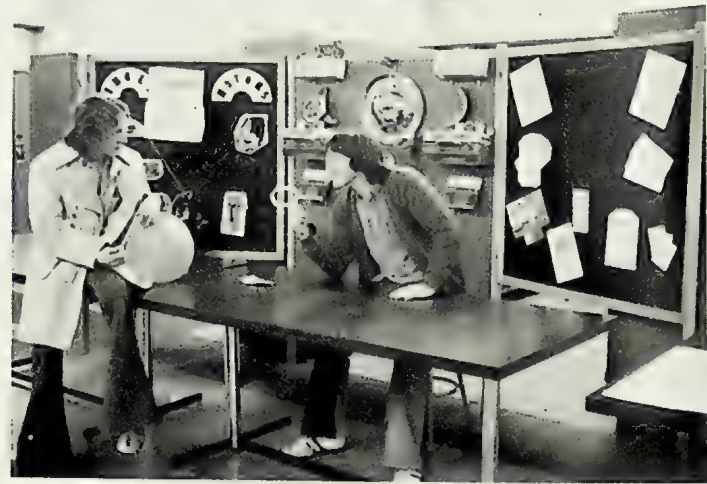

Lyle Dunlop

In horticulture we teach students how to take care of plants and we also teach them flower design.

OH 72

OPEN HOUSE '72 LEAVES VIVID IMPRESSION

The 1972 Open House was a very enjoyable event. Although the cold 35 F below weather was miserable the spirits inside the school on open house night March 1st were very high.

Anyone visiting the school that night for the first time must have got a vivid impression of Wagner. Mr. Cypher and his merchandising classes seemed to have changed the front mall into a wildly colorful bazaar which had all kinds of things available for people to buy.

You could buy aprons and things at Mrs. Snyes busy booth and right beside that was horticulture's stand where they were selling nice corsages and love bugs. Just a few feet away from that was a very nicely displayed collection of leatherwork pottery, batik, tiedye, jewellery, macramé and screen prints presented for sale by Mrs. McSween's first year orientation crafts classes. Some of the work on display was really eye catching and did not last long before being sold.

Just across from foods, they had onion rings and things for sale, apple pies and so on. Mr. Coulter had a group of his music students turning people on with a series of heavy beat, pop rock numbers that had people grooving all the way down the mall. While this lot were belting out the beat you couldn't move anywhere within thirty feet of them. The crowd was so thick. Then if you were the athletic type you could watch some Phys. Ed. types working out on the trampoline— quite spectacular it was! Over in the corner there were the usual grunts and groans of the weight lifters as they battled the laws of gravity in contests of super human physical strength. At the other end of the mall the more serious minded had erected a magnificent display on the theme of wildlife and ecology. Of course Mr. Teske was buzzing around here and there keeping the many visitors to his display informed on all things ecological. Across from this was the automotive area and Mr. Gall's department seemed to have put on a very well thought out display which gave a very clear idea of why just about all the kids in Wagner want to take automotives.

Sheet metal had a well laid out display, as did welding and beauty culture. It was nice to see Miss Methven answering questions for both students and parents at the beauty culture show. Mr. Maschmeyer had a most interesting display from construction which featured toll boxes. Drafting had a really informative display right beside construction. The mall was just packed with people. Many of whom took time to ask questions about the various displays.

Horticulture had a great display in their area and drafting display was most impressive and informative.

English had a huge display in the centre mall with a very exciting multimedia presentation and Math. Science had a display besides this. In the near mall area a most impressive display on the theme of career opportunities had hundreds of people getting all kinds of information. Mrs. Kupchenko had a very busy evening with the number of students and parents who wanted to have questions answered. Mr. Poots had put together a most attractive display of arts and crafts exhibits, including purple pots. There were art students doing pottery, silk screening and oil painting as visitors strolled by.

Mr. Thomas had a neat booth on work experience and Mr. Pearson and Mr. Melson were having a tough time in their student services booth with the many people asking questions.

Mr. Stetsko was busy trying to sort out T.V. camera men and school board trustees. Mr. Tom Baker, ex deputy superintendent of the school board, was a most interested visitor. There was lots of coffee and cookies for visitors but what most people seemed to think was that they did not have enough time to see everything. But the main thing is that there was lots for them to see.

W. F. Wagner High School June Edition 1970

Best of luck in the coming years to the students of the Graduating Class

WILD LIFE CLUB

Pictured above are members of the Wildlife Club who travelled to Narrow Lake Provincial Park near Athabaska, on Monday, May 22 thru till Wednesday, May 24.

The purpose of the trip was that students learn about survival in the wilderness, building shelters, fires, firearms, experience of rationing, snaring rabbits, and fishing. There was also emphasis on observing the outdoor life as well as training in observing boreal forests and its natural advantages and disadvantages.

Mr. A.W. Teske organized the tour and was assisted by Mr. Larry George. Mr. Bob Sandford, naturalist, botanist and assistant park employee joined in assisting Mr. Teske on the tour. Lester Cox and Bruce Barber, both members of the Club directed the movie and slide photography services throughout the tour.

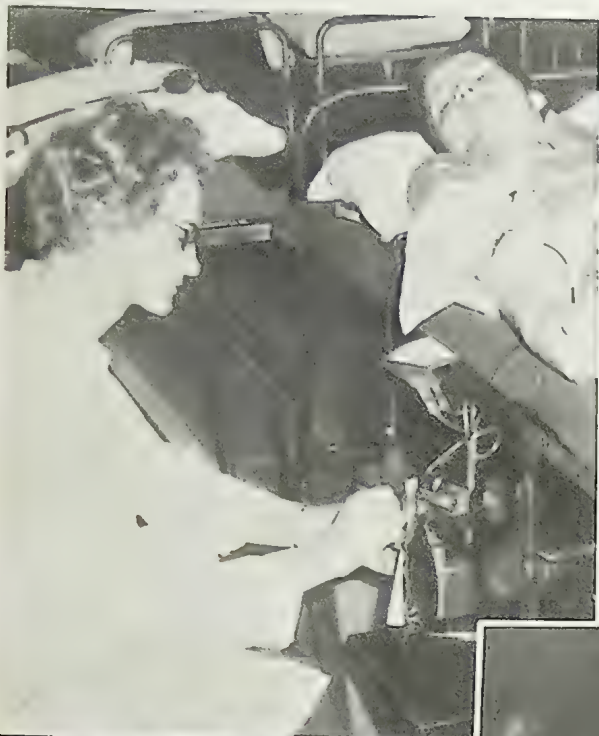

WILD LIFE GRADUATES

A total of 160 W.P. Students were presented with Hunter Training Certificates on Dec. 2, 1971 and May 5, 1972. These students of Mr. Teske's Wildlife classes completed their courses successfully. The Certificates were presented by Joanne Heroko, Lionel Dun, and Red Hasay of The Alberta Hunter Training & Conservation Program

Mr. Teske Instructing Wild Life Class.

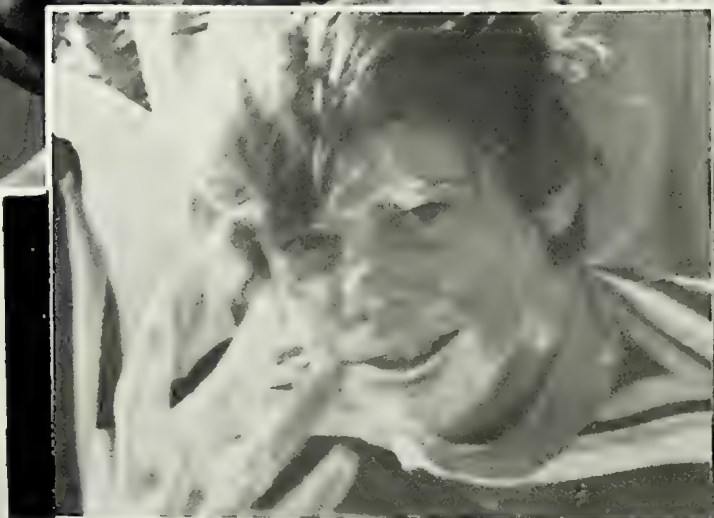

BLOOD DONOR CLINIC

FROSH

Beauty Culture is a three year course of orientation or 1400 hours long. The course consists of hair styling, facials, manicures, scalp treatments, 5 systems of the body, chemistry of the hair, physiology, neurology, myology, and anatomy. When the students are finished they can go straight to work, as qualified beauticians.

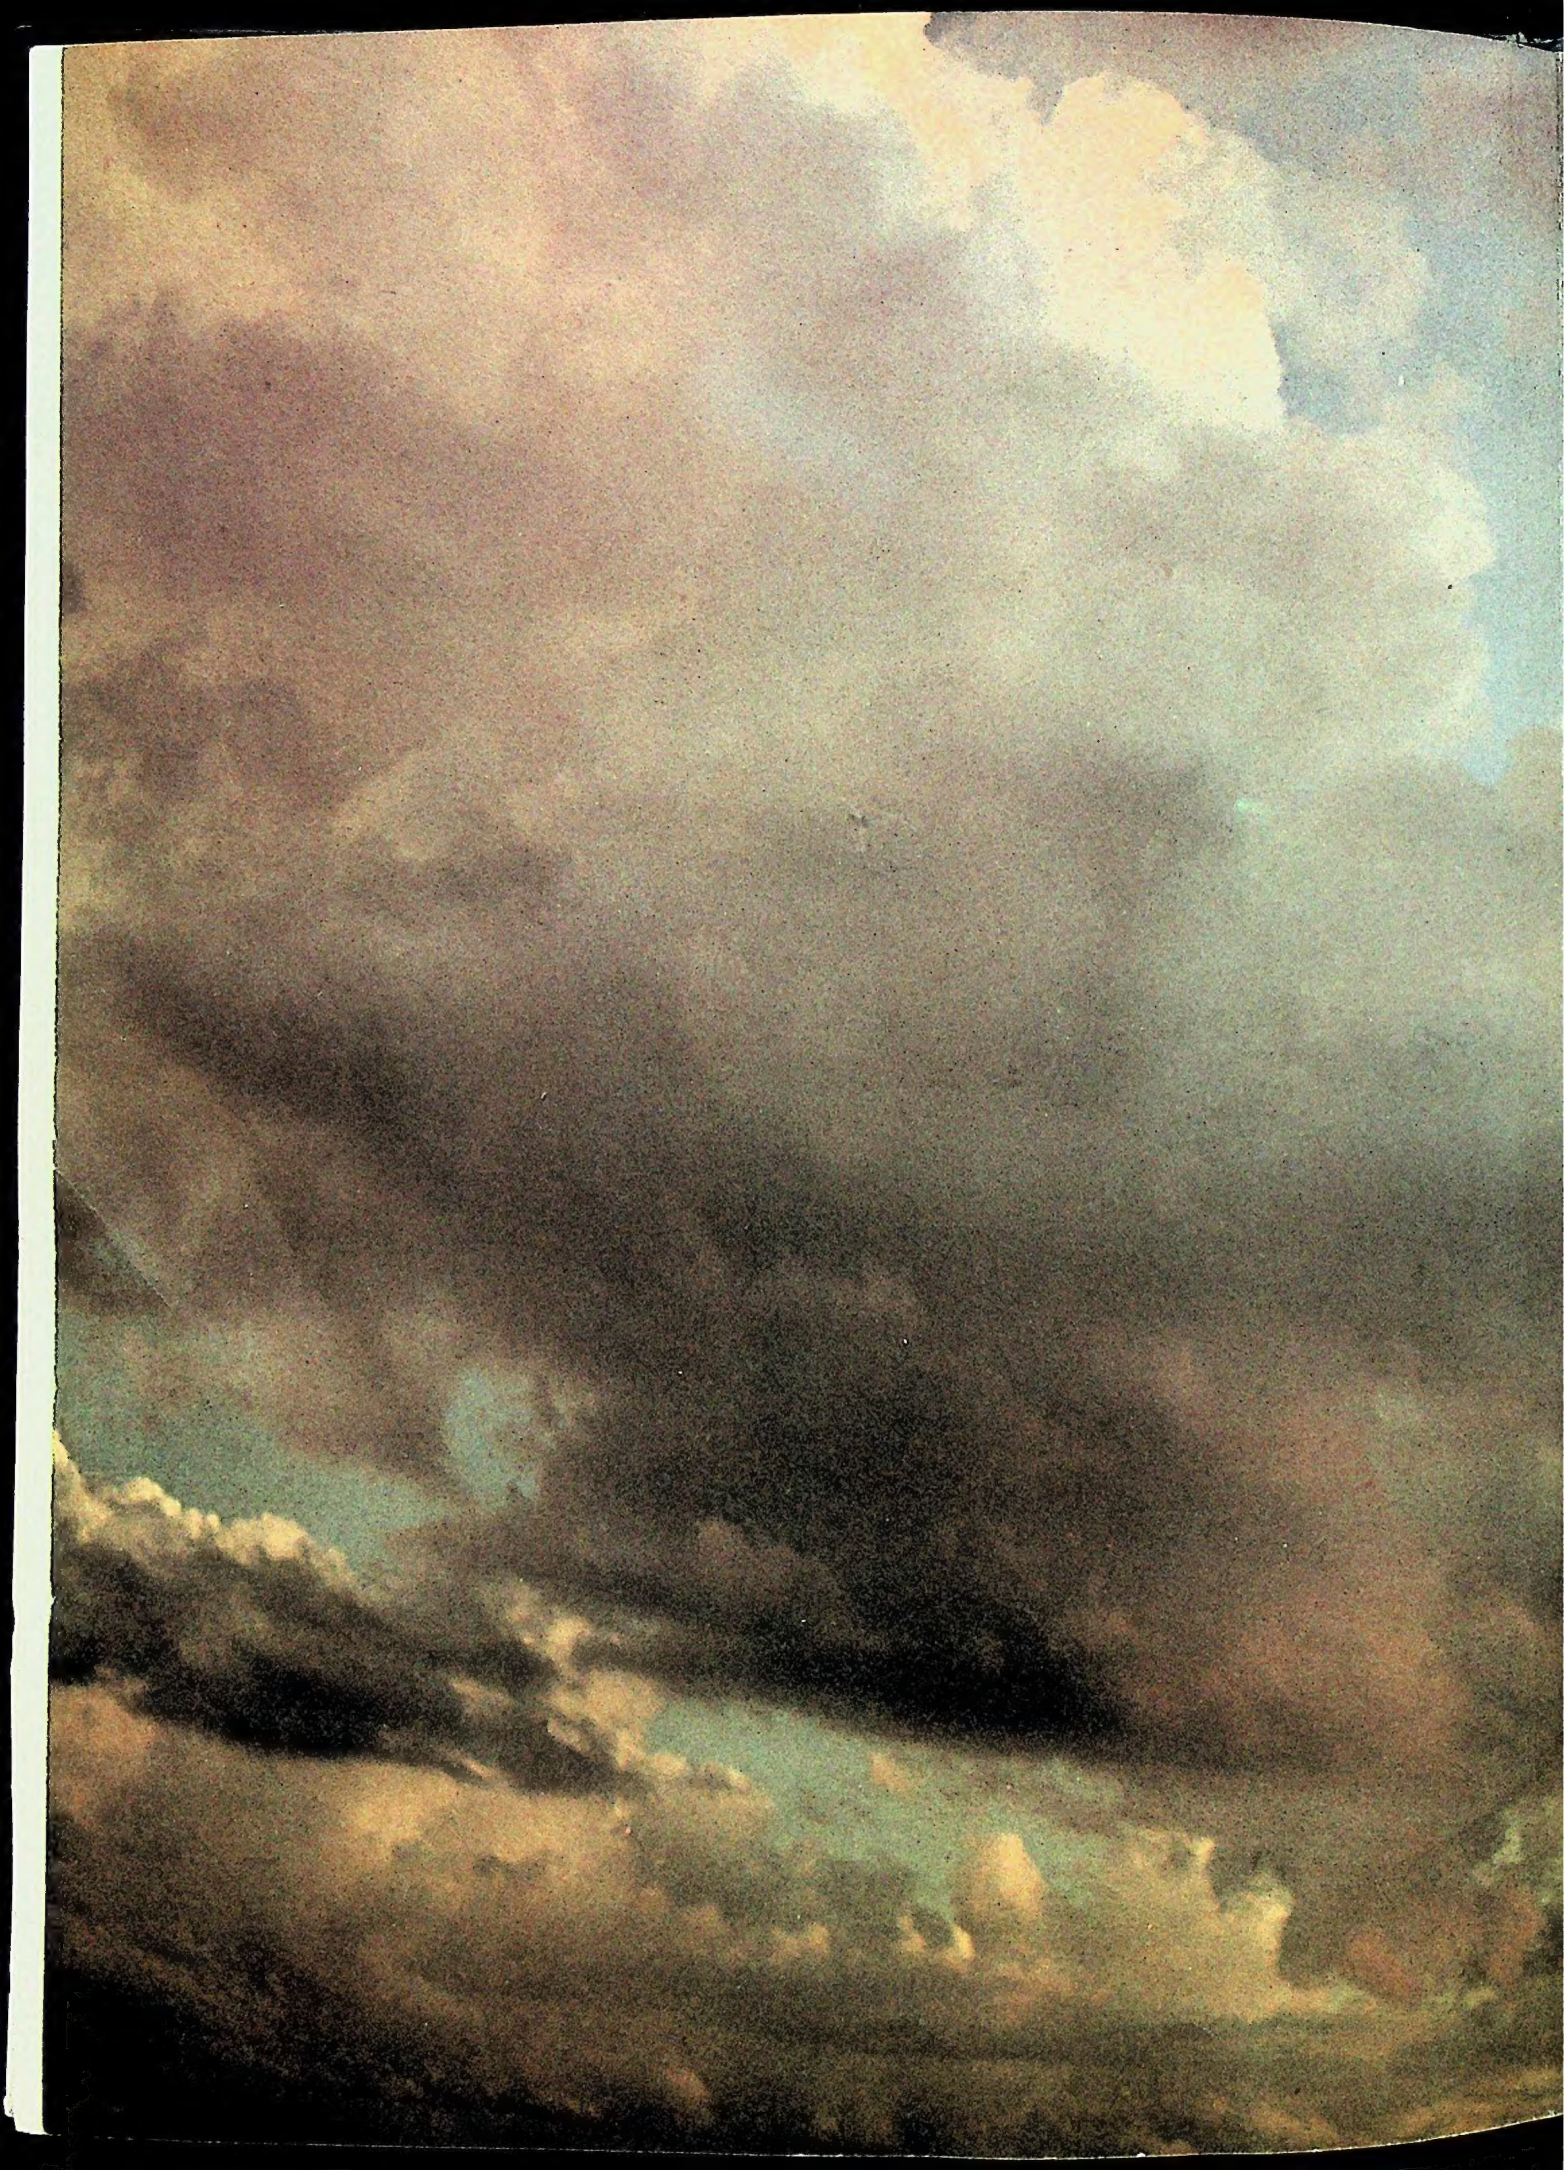

Reports indicate that the majority of the students enjoy this course.

The customers of the Beauty Culture department are satisfied with the students' services and the department received favourable comments.
